

2024 Exclusive Marketing Investment Opportunities

The 2024 Kansas Congressional Fly-In brings together business and community leaders from across the state for three days of advocacy and networking in Washington, DC. Attendees meet with the Kansas Congressional Delegation and national organizations to discuss issues and policies important to Kansas businesses - and take time to experience the history, politics and culture DC has to offer.

Investing in the fly-in provides sponsors the opportunity to raise its brand awareness with both the Kansas business community and leaders in Washington DC.
