

# 2025 Kansas Congressional Fly-in Investment Opportunities

The **Kansas Congressional Fly-In** brings together more than 60 business and community leaders from across the state for three days of advocacy and networking in Washington, DC. Attendees meet with the Kansas Congressional Delegation and national organizations to discuss issues and policies important to Kansas businesses - and take time to experience the history, politics and culture DC has to offer.

Investing in the **Fly-in** provides sponsors the opportunity to raise their brand awareness with both the Kansas business community and leaders in Washington DC. For more information, contact Amy Billquist at [AmyB@kansaschamber.org](mailto:AmyB@kansaschamber.org).
